MINIMUM QUALIFICATIONS: Five years of experience in volunteer or paid service, with at least two of the five years as one or a combination of the following:

1. Chief of a volunteer fire company or department; OR
2. Assistant Chief of a volunteer fire company or department; OR
3. Captain and/or Training Officer of a volunteer fire company or department; OR
4. Chief, Assistant Chief, Captain or Lieutenant in a paid fire department; OR
5. Deputy County Fire Coordinator.

DISTINGUISHING FEATURES OF THE CLASS: The mission and responsibilities for incumbents in these positions are to function as direct contact support liaisons to the many Fire Departments and Fire Districts in Cayuga County. Working directly with the Director, Deputy Directors, and Administrators in the Office of Emergency Services, these staff positions function as coordinators and facilitators of the many missions, programs, and activities provided by and/or supported by the County Office of Emergency Services. In addition to direct contact support, the incumbents may be assigned the oversight of and responsibility for one or more of the specialized county teams, capabilities, services, and/or resources that are provided to public safety agencies throughout the county. These positions will have crossover to the emergency management functions of the office, such as emergency operations center roles, and will serve to support missions related to disaster preparedness, mitigation, response, and recovery. The incumbent may be assigned special projects as necessary and will assist other county and private agencies that interface with paid and volunteer fire departments. Other duties may be assigned by the Director, Deputy Directors, and Emergency Services Administrators to fulfill the many missions of the Office of Emergency Services.
