(continued)...

BACKGROUND INVESTIGATION: Applicants will be required to undergo a State and national criminal history background investigation, which will include a fingerprint check, to determine suitability for appointment. Failure to meet the standards for the background investigation may result in disqualification.

DISTINGUISHING FEATURES OF THE CLASS: This position exists in the Cayuga County E911 Center and includes responsibility to assist the 911 Administrator and Deputy 911 Administrator in supporting the GIS components involved with the Computer Aided Dispatch System and call handling systems in the center. This is also an important technical and clerical position primarily responsible for the collection, preparation, and distribution of a variety of information from records maintained in the E911 Department. This information includes but is not limited to official tapes and transcripts of 911 service calls that may be used in criminal or judicial proceedings. The work of this position requires a high degree of accuracy and attention to detail in the recording and indexing of official information. The work is performed under the general supervision of the 911 Administrator or another higher-level employee. Supervision over the work of others is not a function of this position.
